COVERAGE FOR YOUR CUSTOMER.**
Ingram Micro's Reseller Services Portal (RSP) is integrated with Cisco to deliver SMARTnet renewal and attach quotes direct to your inbox. Check your email to find approved and validated Cisco SMARTnet quotes and close more renewal and attach sales today.

SMARTnet SALES MADE EASY

The Reseller Services Portal (RSP) now generates Cisco SMARTnet quotes for renewal and unattached opportunities and sends them to your inbox, making it easy to renew and attach SMARTnet contracts. SMARTnet quotes can now be generated for contracts expiring in a 90-day period as well as for unattached products purchased over the past six months (sent monthly).

The Auto Quote email helps you reach out to customers to close more SMARTnet sales. It also provides all the information necessary for you to immediately renew and attach a SMARTnet contract on behalf of your customer. The Auto Quote email includes an approved and validated Cisco Quote number, making it fast and easy to transact service sales.

FAST. EASY. AUTO QUOTE.

Take advantage of this free, fast and easy opportunity to grow your Cisco SMARTnet renewal and attach sales. To learn more, contact us at (866) 490-1304 or servicenow@ingrammicro.com. Ask about Auto Quote.
